# About Us

## Gary & John-Rhys Cassidy-McClean

Hey, we are Gary & John-Rhys, the faces behind EVENTS BY Cassidy McCleans!

After planning our own wedding in August 2023, we realised just how much we loved the process and we knew we wanted to bring that same magic (and some seriously cool items) to other couples across Northern Ireland.

We never pictured ourselves as being self-employed, especially after we both spent years as Bank Managers, but now we get to be part of the most special moments in people's lives, and we absolutely love it.

At EVENTS BY Cassidy McCleans, we bring the fun with bold, beautiful florals and entertainment that gets the party started—think selfie mirrors, Co2 guns, special effects, and even our one-of-a-kind Find a Key Claw machine (yep, it's as fun as it sounds and exclusive to us!).

When we're not styling events, we're probably hopping on a plane—as travel is our happy place.
We can't wait to share more of this journey with you!

# What Our Clients Say

## Stephen & Conor ★★★★★

We picked EVENTS BY Cassidy McCleans after seeing them at a wedding event. From the very onset Gary and JR were incredible. Nothing was too much trouble. They always made us feel so at ease. The run up to the wedding they kept in contact about everything. On the actual day they created, what can only be described as pure magic. These 2 guys (and their wee team) made our wedding what it was. The ceremony / reception decor was absolutely stunning! We had a vision and they made it come true! We had full ceremony / reception decor, LED dancefloor which was class, all our guests loved it. Claw machine for favours which created lots of fun. Photo selfie mirror which everyone loved. I could go on and on about how amazing they are. Two absolute gentleman who are incredible at what they do. We can't thank you both enough. Highly recommended!

## Clare & Stewart ★★★★★

We used EVENTS BY Cassidy McCleans for our wedding on the 17.07.26. We hired the claw machine for our wedding favours. This went down a treat with our guests..they absolutely loved it and had a brilliant time trying to win a prize. Gary and JR have been amazing since the start of the planning process. They were on hand to answer any question or query and were really helpful when it came to personalising the little coins for the claw machine. They took some lovely videos of our guests using the claw machine, which was really lovely to watch with a cuppa and a bit of wedding cake the next day. I couldn't recommend EVENTS BY Cassidy McCleans enough.

# What Our Clients Say

## Chloe & Robin ★★★★★

Where do we start with EVENTS BY Cassidy McCleans?! Nothing was too much trouble, the amount of times I changed my mind on colours haha. The most lovely, friendly guys who we're SO glad we had to make our day beautiful! From the gorgeous welcome sign, seating plan and florals, everything was beautiful! Then in the evening the Claw Machine was an absolute hit with guests excited to win their favours. The 360 videobooth was so much fun and the Infinity dancefloor & Co2 Guns just elevated the whole evening, The guys were absolutely brilliant to deal with and had so much to choose from. If we're planning any other sort of event in future we'll be sure to use EVENTS BY Cassidy McCleans again! ❤️

## David & Dean ★★★★★

Myself and my husband were absolutely blown away with our ceremony set up, all thanks to JR and Gary. They took our vision and made it into something so beautiful and exceeded all expectations. The flowers were absolutely BEAUTIFUL and of very good quality. All our guests commented on how they loved them and were really fitting with your venue & colour scheme. What we loved about JR & Gary was that there was never a pressure, never an expectation & always open arms. From start to finish, they were incredibly friendly, reliable, professional and all round amazing. We could not ask for 2 better people to make our Wedding as special as they did and it will remain in our memories forever. We are both so grateful to have found you and cannot thank you enough for all you have done.
